

Academic Notes

August 12, 2013

AN 2013-2014

ACADEMIC NOTES PUBLICATION SCHEDULE

Below is the publication schedule for the electronic copy of *Academic Notes* through December 30, 2013. All submissions for inclusion in *Academic Notes* are due in the Office of Academic Affairs no later than 11:00 a.m. on the Deadline for Items date shown below. Submissions must be in hard copy along with an email, zip drive, or CD with the same information. The electronic version must be formatted either in Word with pages with signatures scanned and inserted as a picture OR PDF saved as text and image. (Do NOT send PDF just saved as an image.) Information submitted to *Academic Notes* that is not accompanied by an electronic version or that is incomplete or unusable will be returned to the appropriate office. *Academic Notes* is available using Acrobat Reader at http://www.indstate.edu/academicaffairs/academic_notes.htm. During the summer months, *Academic Notes* is published every other week.

If you have questions, please contact Yvonne Russell in Academic Affairs, extension 3662.

GRADUATE PROPOSALS

NEW COURSES

COLLEGE OF NURSING, HEALTH, AND HUMAN SERVICES: Applied Medicine and Rehabilitation

ATTR 562 - Foundations of Therapeutic Interventions

3 credits

A study of foundational knowledge in the physiology of trauma and the subsequent effects on tissues as a basis for modalities and rehabilitation.

A-F Grading

Effective term: Fall 2014

ATTR 572 - Applied Therapeutic Interventions

3 credits

Clinical decision making and the application of therapeutic interventions for the treatment of injuries/illnesses among the physically active population.

A-F Grading

Effective term: Spring 2015

ATTR 575 - Applied Therapeutic Rehabilitation

3 credits

Clinical decision making and the application of therapeutic rehabilitation and reconditioning techniques for the treatment of injuries/illnesses among the physically active population.

A-F Grading

Effective term: Fall 2014

ATTR 601 - Athletic Training Practicum I

3 credits

Students engage within the community through the experiential learning of athletic training skills. Didactic experiences include the practice, development, and evaluation of clinical proficiency.

Prerequisites: Grade of C or better in ATTR 612, 612L, 613L, 562, and PASS 635.

A-F Grading

Effective term: Spring 2014

ATTR 602 - Athletic Training Practicum II

3 credits

Students engage within the community through the experiential learning of athletic training skills. Didactic experiences include the practice, development, and evaluation of clinical proficiency.

Prerequisites: Grade of C or better in ATTR 601, 663, 663L, 572.

A-F Grading

Effective term: Summer I 2014

ATTR 603 - Preseason Athletic Training Internship

1 credit

Students participate in preseason athletic training experiences assigned by the course instructor. Credit is earned on the basis of one credit for each three-week period of full-day service (approximately 120 hours.)

Prerequisites: Grade of C or better in ATTR 602, 665, 665L, 673, 673L.

A-F Grading

Effective term: Summer II 2014

ATTR 604 - Athletic Training Practicum III

3 credits

Students engage within the community through the experiential learning of athletic training skills. Didactic experiences include the practice, development, and evaluation of clinical proficiency.

Prerequisites: Grade of C or better in ATTR 603.

A-F Grading

Effective term: Fall 2014

ATTR 605 - Athletic Training Practicum IV

3 credits

Students engage within the community through the experiential learning of athletic training skills. Didactic experiences include the practice, development, and evaluation of clinical proficiency.

Prerequisites: Grade of C or better in ATTR 604, 575, 673, 673L.

A-F Grading

Effective term: Spring 2015

ATTR 612 - Care & Prevention of Athletic Injuries & Illnesses

3 credits

Inquiry into the prevention, evaluation, and emergent treatment of athletic injuries and illnesses.

Prerequisites: Admission into the program through competitive entry process.

A-F Grading

Effective term: Fall 2014

ATTR 612L - Care & Prevention of Athletic Injuries & Illnesses Lab

1 credit

Psychomotor skill instruction, practice, and evaluation of the skills to prevent, evaluate, and provide emergent treatment for athletic injuries and illnesses.

Co-requisites: ATTR 612

A-F Grading

Effective term: Fall 2014

ATTR 613L - Functional Movement Lab

1 credit

Psychomotor instruction, practice and evaluation of the skills to assess functional movement in the body.

A-F Grading

Effective term: Fall 2014

ATTR 663- Diagnosis & Immediate Care of the Spine

3 credits

In-depth inquiry into the anatomical and physiological processes that occur in orthopedic injuries of the head, trunk, and spine.

A-F Grading

Effective term: Spring 2014

ATTR 663L - Diagnosis & Immediate Care of the Spine Lab

1 credit

Psychomotor skill instruction, practice, and evaluation of orthopedic injuries to the head, trunk, and spine.

Co-requisites: ATTR 663

A-F Grading

Effective term: Spring 2014

ATTR 665 - Diagnosis & Immediate Care of the Upper Extremity

3 credits

In-depth inquiry into the anatomical and physiological processes that occur in orthopedic injuries of the upper extremity.

A-F Grading

Effective term: Summer I 2014

ATTR 665L - Diagnosis & Immediate Care of the Upper Extremity Lab

1 credit

Psychomotor skill instruction, practice, and evaluation of orthopedic injuries to the upper extremity.

Co-requisites: ATTR 665

A-F Grading

Effective term: Summer I 2014

ATTR 667 - Diagnosis & Immediate Care of the Lower Extremity

3 credits

In-depth inquiry into the anatomical and physiological processes that occur in orthopedic injuries of the lower extremity.

A-F Grading

Effective term: Summer I 2014

ATTR 667L - Diagnosis & Immediate Care of the Lower Extremity Lab

1 credit

Psychomotor skill instruction, practice, and evaluation of orthopedic injuries to the lower extremity.

Co-requisites: ATTR 667

A-F Grading

Effective term: Summer I 2014

ATTR 673 - Pathophysiology & Pharmacological Interventions

3 credits

Inquiry of the basic pathophysiological processes associated with athletic injuries and illnesses and the specific pharmacology of drugs commonly used in treatment.

A-F Grading

Effective term: Fall 2014

ATTR 673L - Physical Exam Lab

1 credit

Psychomotor skill instruction, practice, and evaluation for diagnosis of the most common clinical problems seen in primary care with emphasis on orthopedics, cardiology, pulmonology, gastroenterology, and ear, nose, and throat.

Co-requisites: ATTR 673

A-F Grading

Effective term: Fall 2014

ATTR 685 - Administration of Health Care Systems

3 credits

Current issues in the organization and administration of health care delivery systems in traditional and emerging practice settings for Athletic Trainers.

A-F Grading

Effective term: Spring 2015
