

Academic Notes

September 12, 2011

AN 2011-2012

ACADEMIC NOTES PUBLICATION SCHEDULE **FOR FALL 2011**

Below is the publication schedule for the electronic copy of *Academic Notes* through December 19, 2011. All submissions for inclusion in *Academic Notes* are due in the Office of Academic Affairs no later than 11:00 a.m. on the Deadline for Items date. Submissions must be in hard copy along with an email, zip drive, or CD with the same information. The electronic version must be formatted either in Word with pages with signatures scanned and inserted as a picture OR PDF saved as text and image. (Do NOT send PDF just saved as an image.) Information submitted to *Academic Notes* that is not accompanied by an electronic version or that is incomplete or unusable will be returned to the appropriate office. *Academic Notes* is available using Acrobat Reader at http://www.indstate.edu/academicaffairs/academic_notes.htm. During the summer months, *Academic Notes* is published every other week.

CORRECTIONS

The following corrections are reflected in ***bold and italics**:

COLLEGE OF NURSING, HEALTH, AND HUMAN SERVICES: Applied Medicine and Rehabilitation

OCTH 622 - Skills II

2 credits

This is the second of three Skills courses which provides hands-on experience with identified psychomotor skills needed to become a competent occupational therapy practitioner.

Positioning, wheelchair mobility, wheelchair positioning and measuring, ergonomic assessments, and home modifications are addressed in this course.

Prerequisite: OCTH 612.

A-F Grading

****Effective term: Fall 2012**

OCTH 623 - Assistive Technology

2 credits

This course introduces the evidenced-based theories and frames of references used in the provision of assistive technology. Documentation and reimbursement of assistive technology will be explored. Students gain hands-on experience in the fabrication of low and high technology solutions to problems encountered in daily life activities.

Prerequisites: OCTH 611; Bio 633.

Co-requisite: OCTH 624.

A-F Grading

***Effective term: Fall 2012**

OCTH 624 - OT Rehab Disability Participation

4 credits

This course is the first in the series of intervention courses. This course introduces the evidenced-based theories and frames of references used in adult and older adult physical rehabilitation. Particular emphasis on interventions that enable individuals with disability to participate in the occupations of their choice.

Prerequisites: OCTH 600, 611, 612.

A-F Grading

***Effective term: Fall 2012**

OCTH 625 - OT Work & Industry

2 credits

The course introduces the theories and frames of references used in work and industry with particular emphasis on interventions that enable individuals with disability to participate in the occupations of their choice. Practice settings that affect the delivery of OT services are explored including service in rural farming areas.

Prerequisite: OCTH 611.

Co-requisites: OCTH 622, 623, 624.

A-F Grading

**Effective term: Fall 2012*

OCTH 731 - Older Adults & Aging

3 credits

This course introduces the theories and frames of references used with older adults across the continuum of care. Students analyze the impact that normal aging, disease, and disability have on this population and learn assessments and intervention to promote productive aging.

Prerequisites: OCTH 623, 624.

A-F Grading

**Effective term: Fall 2012*

OCTH 740 - OT Mental Health & Advocacy

4 credits

This course is one of six of the intervention courses. This course addresses the OT process from the referral to discontinuation of services for persons with mental illness. A particular focus of this course is on advocacy for persons with mental illness in the community, particularly in rural areas.

Prerequisite: HLTH 617.

Co-requisites: OCTH 741, 771.

A-F Grading

**Effective term: Fall 2012*

OCTH 741 - OT with Children and Youth

5 credits

This course introduces the theories and frames of references used in pediatric occupational therapy. The OT process from the referral, assessment, intervention to discontinuation of services is addressed. Practice settings that affect the delivery of pediatric OT are explored including the service in rural and underserved areas.

Prerequisites: OCTH 624, 625, 731.

Co-requisites: OCTH 740, 771.

A-F Grading

**Effective term: Fall 2012*

OCTH 742 - Skills III

2 credits

This is the third of three Skills courses which provides hands-on experience with identified psychomotor skills needed to become a competent occupational therapy practitioner. Activities

of daily living, instrumental activities of daily living, leisure activities, driving; and use of preparatory physical agent modalities are addressed in this course.

Prerequisite: OCTH 622.

A-F Grading

**Effective term: Fall 2012*

OCTH 743 - Participatory Outcome/Research

3 credits

The student begins the research process including identification of a topic and methodology, literature search, institutional and facility approval and complete a manuscript including title page, abstract, statement of purpose, literature review, method: sample, instrumentation, procedures, and references. This is the first of a two-part research series.

Prerequisites: ATTR 691; OCTH 625.

A-F Grading

**Effective term: Fall 2012*

OCTH 750 - Reasoning & Complex Clients

3 credits

This capstone course requires clinical reasoning to identify critical issues in the delivery of occupational therapy services with the complex client. This course consists of analysis and discussion of clinical reasoning forms, ethical decision making processes, methods for facilitating change, and methods of collaborating with other health care personnel.

Prerequisites: OCTH 624, 625, 731, 740, 741; HLTH 617.

A-F Grading

**Effective term: Fall 2012*

OCTH 751 - Management and Leadership

3 credits

The student develops skills required to become a manager of an occupational therapy service as well as a leader and change agent in the occupational therapy profession. The MSOT student develops knowledge of health care trends and legal issues and models of service delivery and program management.

Prerequisites: OCTH 624, 625, 731, 740, 741; HLTH 617.

A-F Grading

**Effective term: Fall 2012*

OCTH 752 - Adv Upper Extrem Conditions

3 credits

The course explores common upper extremity and hand injuries and the role of Occupational Therapy to address the needs of this population. Study includes clinical evaluation of the UE/hand and treatment interventions as appropriate to each injury.

Prerequisites: OCTH 624, 731, 740, 741.

A-F Grading

**Effective term: Fall 2012*

OCTH 770 - Fieldwork IA Rehab & Work

1 credit

Students are placed in occupational therapy settings that focus on rehabilitation and work. The students will observe and interact with individuals and with groups. In the didactic portion of this class, students will reflect and synthesize their experiences.

Prerequisites: OCTH 623, 624, 625.

A-F Grading

**Effective term: Fall 2012*

OCTH 771 - Fieldwork IB Peds & Mental Hlth

1 credit

Students are placed in occupational therapy settings that focus on the client in pediatric and mental health settings. The students will observe and interact with individuals and with groups. Students will reflect and synthesize their experiences.

Co-requisites: OCTH 740, 741.

A-F Grading

**Effective term: Fall 2012*

OCTH 772 - Fieldwork IC Comm & Older Adlt

1 credit

Students are placed in occupational therapy settings that focus on older adults and community settings. The students will observe and interact with individuals and with groups. Students will reflect and synthesize their experiences.

Prerequisites: OCTH 623, 624, 625.

A-F Grading

**Effective term: Fall 2012*

OCTH 773 - Fieldwork IIA

3 credits

This is the first Fieldwork II experience which enables the student to impact the health of clients through the application of purposeful and meaningful occupation, research, administration, and management of OT services. The student is expected to demonstrate entry-level competency as an occupational therapy practitioner upon completion.

Prerequisites: OCTH 600, 611, 742, 750, 751, 752, 770, 771, 772.

A-F Grading

**Effective term: Fall 2012*

OCTH 774 - Fieldwork IIB

3 credits

This is the second Fieldwork II experience which enables the student to impact the health of clients through the application of purposeful and meaningful occupation, research, administration, and management of OT services. The student is expected to demonstrate entry-level competency as an occupational therapy practitioner upon completion.

Prerequisite: OCTH 773.

A-F Grading

**Effective term: Fall 2012*

OCTH 798 - Research Project

3 credits

This course focuses on creating a scholarly project using evidence-based independent clinical practice model. Students work with an advisor to complete the scholarly project.

A-F Grading

**Effective term: Fall 2012*
