### PROGRAM REVISIONS

#### COLLEGE OF TECHNOLOGY: Human Resource Development and Performance Technologies

##### **Human Resource Development for Higher Education and Industry Major (51 credits)**

**CIP Code: 521001 Major Code: E731**

##### **Brief Summary:**

The change in course prefixes (TMGT to HRD) is made to reflect the name of the new Human Resource Development and Performance Technologies Dept within the College of Technology. The elimination of TMGT 429 as a requirement is a result of the new department. The content will be covered in a remaining HRD course.

##### **Student Learning:**

This change will allow the HRDPT Dept to use the workplace law content in an assessment plan.

Currently, our department has no input on course content, scheduling, or instructor. Therefore, we cannot rely on this course to meet objectives we have identified in our assessment plan. The content will be covered in an existing course and thus remain in our measurement plan.
