FIELD TRIPS

COLLEGE OF ARTS & SCIENCE: Science Education

Students from Science Education 393 – Science in the Elementary School, will be taking a field trip on Friday, April 13, 2001, to hunt for fossils near the Victory Environmental Landfill behind Fowler Park. Students are to schedule their visit so that it will not interfere with their regularly scheduled classes. The site is open throughout the day and students are responsible for obtaining their own transportation there and back. A list of participating students is available from the Student Academic Affairs division of the College of Arts and Sciences.

Students from Science Education 393 – Science in Elementary School, will be taking an ecology field trip to the ISU Field Campus. Students are to schedule their visit on April 16 or April 17, 2001 during a four-hour period of their choosing so that the trip will not interfere with their regularly scheduled classes. Students are responsible for their own transportation. A list of participating students is available from the Student Academic Affairs Division of the College of Arts and Sciences.

SCHOOL OF HEALTH & HUMAN PERFORMANCE:

Recreation & Sport Management

Students from Recreation and Sport Management 262 – Outdoor Living Skills, will be going on a field trip Friday, April 13, 2001, to Carbondale, IL to do field research. Students are scheduled to leave at 7:00 a.m. and return at approximately 8:00 p.m. Students will provide their own transportation for this trip. A list of students attending will be on file with the Department of Recreation and Sport Management.
