**Course has undergraduate level equivalent*

CORRECTIONS

The following is a correction of the text that appeared as an **APPROVAL** in the September 26, 2005 issue of *Academic Notes*. The corrected portion is shown in [bold-italics within bold-italic brackets***].

COLLEGE OF HEALTH AND HUMAN PERFORMANCE PHYSICAL EDUCATION COACHING [*CONCENTRATION***]**

Summary and Rationale:

The state of Indiana's Department of Education will no longer acknowledge minors and endorsements with teaching licensures as of June 2006. We plan on retaining the Coaching Endorsement program but remove the licensure language from the next printing of the undergraduate catalog. We are retaining the program because it is not exclusive to teacher education students but is open to all students interested in coaching preparation.

Current catalog copy

A course of study which lead to licensure for coaching men's and women's interscholastic athletic teams in Indiana. This endorsement may be added to any Indiana Instructional License. Students who complete a major or minor in physical education including the courses Physical Education 401 and, 403, and 6 hours of prescribed coaching theory courses will have satisfied the coaching endorsement.

New catalog copy

Students who complete this course of study will have satisfied the Indiana High School Athletic Association standards for coaching eligibility. A student majoring in Physical Education will satisfy these standards by taking the course Physical Education 401 and 6 hours of prescribed coaching theory.

Preferred Effective Term: Fall 2006
