Mr. McCarty,

Indiana State University Physician Assistant Program is required to submit its modified SSR and Report with response to citations by December 15.

Considering the circumstances listed below, the University is asking ARC-PA to grant the Program an extension on the deadline for submission of the Reports:

1. The Program Director, Dr Coutinho, has resigned effective October 30;
2. Current Clinical Coordinator, Tatsiana Singh, will assume the role of Interim Director;
3. The Program was asked to submit a response to citations in addition to the modified SSR by the same deadline.

Please accept my assurance that we are doing everything possible to support the Program and ensure the success of our students. We have already posted both the Program Director and two faculty positions and are using several modalities to aggressively recruit candidates. At the same time, we are trying to make sure that only the highest quality candidates join the PA Program team.

Please, do not hesitate to contact me with any questions. I will follow-up later this afternoon via phone to determine if you have any questions.

We are looking forward to your response and appreciate your time!
